

# WINTER IN THE DESERT SEMINAR

JANUARY 6-7, 2018 - LA QUINTA RESORT & CLUB

CALIFORNIA  
CHIROPRACTIC  
ASSOCIATION

## Saturday, January 6

### The Patient Record...Your Documentation STORY

7:30am-12:00pm (4 hours)

#### James Hoven, DC, DACBSP

This course instructs you on the basic elements of a compliant note and proper coding along with the fundamental concepts and rules of proper documentation. Learn the differences between paper notes and EHR and if your EHR will pass an audit. Learn if "cash cases" need a different level of documentation.

### The TMD Seminar

1:00pm-5:30pm (4 hours)

#### Kimberly Bensen, DC, DACBSP

Everyone has a spine and 1/3 of them has some TMJ symptoms in their lifetime. Are you equipped to help them? The TMD Seminar will reacquaint you with the specific anatomy and physiology, target the distinct underlying problem, and help direct your treatment plan.

## Sunday, January 7

### Adjusting the Lower Extremities and the Spine "The Wong Way"

8:00am-12:00pm (4 hours)

#### Kevin M. Wong, DC

Sponsored by Rocktape, Inc.

The lower extremities are the gateway to stabilizing the pelvis and the lower back. You will take a journey starting at the feet/ankles and move up to the lower spine and understand how these complex bio-mechanical pieces all fit together. The class will cover evaluation, common subluxation patterns and treatment of the lower body, hands-on demonstration and workshops for adjusting and the utilization of elastic sports tape on the lower extremity joints and the lower spine.
